Mrs. Bertsch's Classroom

The 5th graders having been working on the topic of matter in science. Rather than have the students take a test, Mrs. Bertsch has her students participate in an escape room.

Henry School Happenings

Seniors, Payton Gassman and Charles Kelly made a commitment to Mount Marty in Yankton on Thursday, February 11th, 2021. Both boys will play the position of Linebacker for the new Mount Marty Lancers football team. Besides playing football, both young men plan to major in Nursing. What great role models for our younger students in the area! A great example of how hard work does pay off! Congratulations to both Payton and Charles!
